Toledo EAA Chapter 582

Toledo Executive (Metcalf) Airport KTDZ, Toledo, Ohio
Chapter Information

EAA Chapter 582 meets on the Fourth Thursday of each month. Meeting locations and topics are published in advance on our website www.eaa582.org and in our monthly newsletter. People start showing up about 6:30 with the meeting starting at 7:00 pm. The meetings normally begin informally where members browse around and chat with each other on whatever subject. The educational and informational portion of the meeting begins about 7:30 and runs until 9:00 or 9:30. The aviation related topics are always of general interest to the membership.

Chapter 582 and its members host the "Plane Fun fly-in", the largest fly-in in the area. This is an annual event, usually held on Father Day weekend. Chapter 582 also plays host to the **Young Eagles** program, providing a **free** introductory airplane ride to young people ages 8 to 17 years old. **We are proud of the fact that our chapter has flown over 8,040 Young Eagles in the Toledo area!** We also host a monthly Pancake Breakfast and a cookout every Friday evening, Spring thru Fall. We also enjoy many Builder & Restorer Project Visits, Fly-outs, Picnics and Show & Tells throughout the year.

Chapter members are required to be members of the National Experimental Aircraft Association. If you're not already an EAA member, please ask any 582 Officer for a national EAA application form. This can be completed after you join Chapter 582. The national EAA membership includes a subscription to "Sport Aviation" magazine. If you're interested in any phase of aviation you'll love "Sport Aviation".

Annual dues for Chapter 582 are \$40.00, which includes a member ID badge and an e-mail subscription to our Award Winning newsletter "Plane Talk". Dues are pro-rated for those joining after March.

Pro-Rated Membership schedule:

JANUARY thru MARCH - \$40.00
